²Affiliation, ex: National Board of Forensic Medicine and Forensic Toxicology, Linköping, Sweden

³Affiliation, ex: Department of Clinical Medicine, Linköping University, Linköping, Sweden

[Corresponding author's e-mail address](#)

Text

Abstract Formatting

1. All abstracts must be written in English.
2. The abstract title is limited by 150 characters and must be submitted using ALL CAPS (eg. „MY ABSTRACT ABOUT ESWG 2020 WILL BE PRESENTED IN OSLO“).
3. Up to 10 authors can be submitted for one abstract (including the presenting author).
The presenting author is selected first; other authors can be added only when the presenting author is submitted. However, the author order can be changed if needed by swopping the names in the list of the authors. The first name is considered to be the main author.
4. The maximum abstract length is 1800 characters.
5. The number of submitted abstracts per one submitter/author is not limited.
